

Quick Reference for Insurance Agents

For Completing and Providing the Required Insurance Information for the UIIA

In order to assist you with preparing the necessary insurance information for your insured to participate in the Uniform Intermodal Interchange and Facilities Access Agreement (UIIA), we have outlined the information that must be submitted online through the UIIA application on behalf of your insured:

PLEASE NOTE EFFECTIVE OCTOBER 1, 2016, ALL INSURANCE IS REQUIRED TO BE SUBMITTED ONLINE THROUGH THE UIIA APPLICATION. ALL AGENTS MUST BE REGISTERD AS AN AUTHORIZED USER TO SUBMIT INSURANCE ONLINE.

IN OUR EFFORTS TO GO PAPERLESS, EFFECTIVE OCTOBER 5, 2020, IANA WILL NO LONGER ACCEPT INSURANCE DOCUMENTATION SENT VIA U.S. MAIL.

- 1. Insurance Agents are required to go to Online Insurance Registration to register as an agent to submit insurance on-line.
- The online certificate of insurance must contain the following coverage(s) and limits: (See
 <u>Form 5A Explanation</u> and <u>Sample UIIA Acord 22 Certificate</u> Note that all limits for
 <u>Equipment Providers outlined in these instructions are shown in US Funds.</u> If providing
 limits in Canadian Funds, they should be equivalent to the limits shown in US Funds.)
 - General Liability with a limit of \$1 million per occurrence.
 - <u>Auto Liability</u> with a CSL (combined single limit) of \$1 million
 Auto Policy must be marked as either an "ANY AUTO", "SCHEDULED AND HIRED" or "ALL OWNED and HIRED" policy. We <u>cannot accept</u> just a "ALL OWNED AUTO" or a "SCHEDULED ONLY"auto policy.
 - *Cargo Insurance with a limit per vehicle shown and deductibles if applicable.
 - *<u>Trailer Interchange</u> Coverage with a limit per trailer shown and deductible if applicable.
 This is to cover physical damage to non-owned equipment while in the care, custody and control of your insured.
 - Workers Compensation and Employer's Liability (if applicable). If your insured is doing
 business with the railroads this coverage will need to be provided. If the insured is
 exempted from having to carry workers compensation coverage, the insured can supply
 the UIIA office with an exemption statement stating the reason why they are exempt
 from this coverage. This signed statement can be scanned and emailed to the UIIA office
 at: UIIA@Intermodal.org or it can be faxed to: (301)982-3414.

*NOTE: Limits for Cargo and Trailer Interchange will vary depending on the specific Equipment Providers that your insured is going to do business with. See (Form 5B) to see a list of Equipment Providers along with the limits of insurance they require.

Please note that Section F.6. of the UIIA requires that the Motor Carrier's insurance policies provide a thirty (30) advance notice of any cancellation of the insurance policies provided unless cancellation is a result of non-payment in which ten (10) days notification is required. This is a contractual obligation of your insured as a signatory to the UIIA so insurance information provided to the UIIA must be endorsed to provide such coverage.

- 2. The Truckers Uniform Intermodal Interchange Endorsement (<u>UIIE-1</u> or <u>CA23-17</u>) must be made part of your insured's Auto Liability Policy. On the UIIA Acord 22 certificate online, you must check the box next to the language under the description of operations confirming this endorsement is part of the auto policy.
- 3. The Equipment Providers that your insured is going to do business with will need to be named additional insured on the appropriate policies. Your insured should have completed their online Providers list or they could have provided you with the Equipment Provider Checklist (Form 5C). This list should have all the Providers marked off of whom they do business. An authorized representative of the insurance agency or company will need this list when doing their online submission of the insurance on behalf of their insured. In addition, on the online UIIA Acord 22 certificate you will need to check the box next to the language pre-printed under the description of operations confirming the companies on the list are additional insured on the appropriate policies. Alternatively, you can check the box that indicates the policy(ies) being provided have blanket additional insured coverage.
- 4. If you provide an umbrella/excess policy, you must specify on the certificate what coverages are covered under this umbrella/excess policy (Example: auto, general and etc.).
- 5. The National Association of Insurance Commissioners (NAIC) numbers need to be shown on the online Acord certificate for all insurance companies providing coverage. These NAIC numbers and rating of the insurance company should automatically populate when typing in the insurance companies company name, or you can obtain this information from the "Best Key Rating Guide."
- 6. All applicable exclusionary endorsements that result in limiting or restricting the policies being provided should be noted on the online Acord 101 by clicking on the link to access the ACORD 101 available in the description of operations at the bottom of your online accord 22 certificate, and then sending these endorsements via e-mail to uiia@intermodal.org.

Only *ONE* certificate of insurance with the information listed above needs to be submitted online. WE *DO NOT* NEED SEPARATE CERTIFICATES TO BE SUBMITTED FOR EACH EQUIPMENT PROVIDER THAT YOUR INSURED IS DOING BUSINESS WITH.

UIIA Insurance Renewals – Expiration of Policies:

The UIIA system is setup to expire insurance policies at 12:01 a.m. of the day of the expiration date which often causes confusion with the Motor Carriers thinking they have coverage until 11:59 p.m. on the expiration date, but in fact the policy expires on the first minute of that day. Therefore, Motor Carriers need to have their insurance renewal policies sent to our office prior to the expiration date.

In addition, insurance agents should ensure that the effective date of a policy is concurrent with the expiration date of the policy expiring so that there is no lapse between the expiring and renewal/new policy. (i.e. A policy expires 2/1/2021 should have a renewal policy with effective date of 2/1/2021, not 2/2/2021.)

To become an authorized agent to submit insurance online to the UIIA, you will need to do the following:

- 1. Please go to http://www.uiia.org/insurance-agent-login and complete the online registration by clicking on **New Member First Time Agent**.
- 2. Request from your insured their SCAC Code and Insurance Agent Code. You will need this information the first time you submit insurance information on behalf of your insured.
- 3. For instructions on how to submit insurance online, you can view the tutorials or webinar available online on the UIIA website at http://www.uiia.org or the attached instructions.

YOU ARE NOT REQUIRED TO MAIL OR PROVIDE A COPY OF THE CERTIFICATE TO THE UIIA OFFICE WHEN THE CERTIFICATE HAS BEEN APPLIED ON-LINE.
